

INTRODUCTION

ClickPlus is an innovative investment platform designed to provide users with opportunities to earn passive income through engaging in various social media activities.

Users can participate in activities such as posting on social media, watching ads and videos, liking, sharing, and commenting to earn Part-time Income (PTI). To access these earning opportunities, users need to subscribe to the platform, where they can earn up to 2x PTI and a 3x capping on their total investment based on active participation.

ABOUT CLICKPLUS

ClickPlus offers a unique approach to earn by merging social media engagement with investment opportunities. By allowing users to turn their everyday social media activities into income-generating tasks, ClickPlus bridges the gap between traditional investments and the growing influence of digital content creation.

Users can invest in various subscription packages and participate in platform activities to earn PTI. The platform is designed to cater to different investment preferences, offering a range of package options. ClickPlus also provides multiple income streams, which are tied to user participation and business volume generation within the platform.

MISSION & VISION

Mission

To provide a unique investment opportunity that combines social media engagement with passive income generation, empowering users to monetize their time spent online in meaningful ways.

Vision

To revolutionize the investment landscape by integrating social media activities, creating a global community where every interaction counts toward financial growth and independence.

Benefits of Becoming A Social Media Influencer

Becoming a social media influencer offers a multitude of benefits, including the ability to turn your passion into a career by sharing what you love with a global audience. Here are some significant benefits.

- Monetization Opportunities: Earn income through sponsorships, brand collaborations, affiliate marketing, and content creation.
- Personal Branding: Build a unique personal brand and establish yourself as an authority in your niche.
- Influence and Impact: Inspire, educate, and engage your audience, making a positive impact on topics you care about.
- Access to Exclusive Perks: Receive exclusive products, event invites, and experiences often reserved for influencers.

Why choose ClickPlus **TO BE A SOCIAL MEDIA INFLUENCER?**

ClickPlus stands out as a unique platform that combines the influence of social media with the potential of investment income---

- Earn from Daily Activities: Engage in routine social media tasks such as posting, liking, sharing, and commenting to earn passive income.
- Flexible Income Opportunities: Choose from a range of subscription packages that suit your investment capacity and earn corresponding PTI.
- Community Growth Rewards: Benefit from referral programs that provide additional income for expanding the ClickPlus community.
- Leadership and Salary Income: Unlock advanced income streams through leadership and team-building, earning monthly salaries based on business volume.

Package Details And PART-TIME INCOME (PTI) PERCENTAGES

ClickPlus offers multiple package options, catering to varying investment preferences. Each package offers different PTI percentages based on the investment slab.

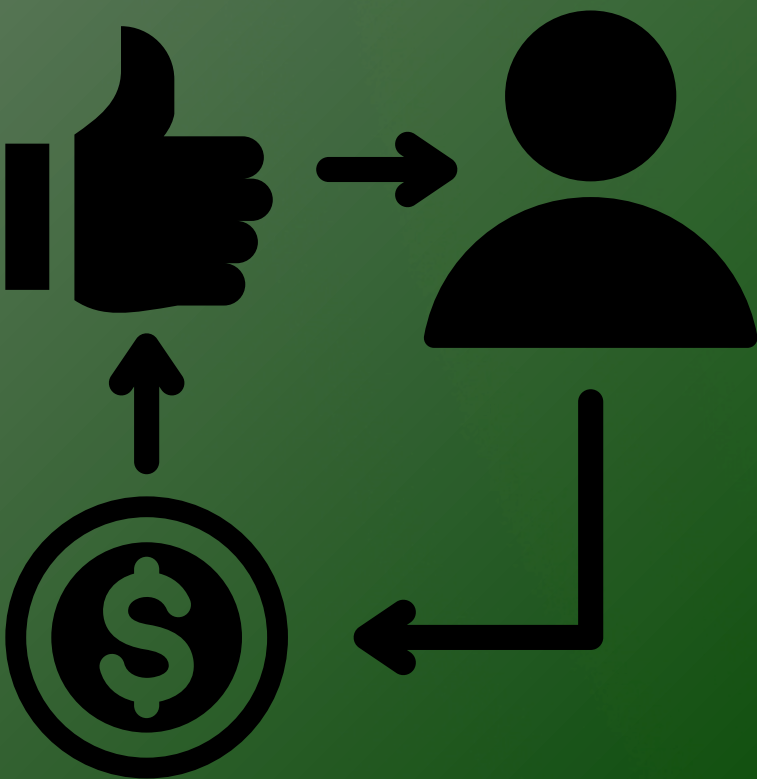

The income potential grows with higher package subscriptions. The package details and PTI percentages that the user will receive upon package availability are provided below:

| Package Slab | PTI % |
|----------------|-------|
| \$10 - \$50 | 0.5 % |
| \$100 - \$240 | 0.6 % |
| \$250 - \$430 | 0.7 % |
| \$500 - \$740 | 0.8 % |
| \$750 - \$1000 | 1% |

Note: Free users will get 0.04\$ daily upon completing the daily activities.

ADS BONUS INCOME

Ads Bonus Income provides users to earn 10% of daily PTI % from their immediate downline members. By successfully expanding their network and maintaining team balance, users can unlock higher earnings based on the performance and growth of their referred members.

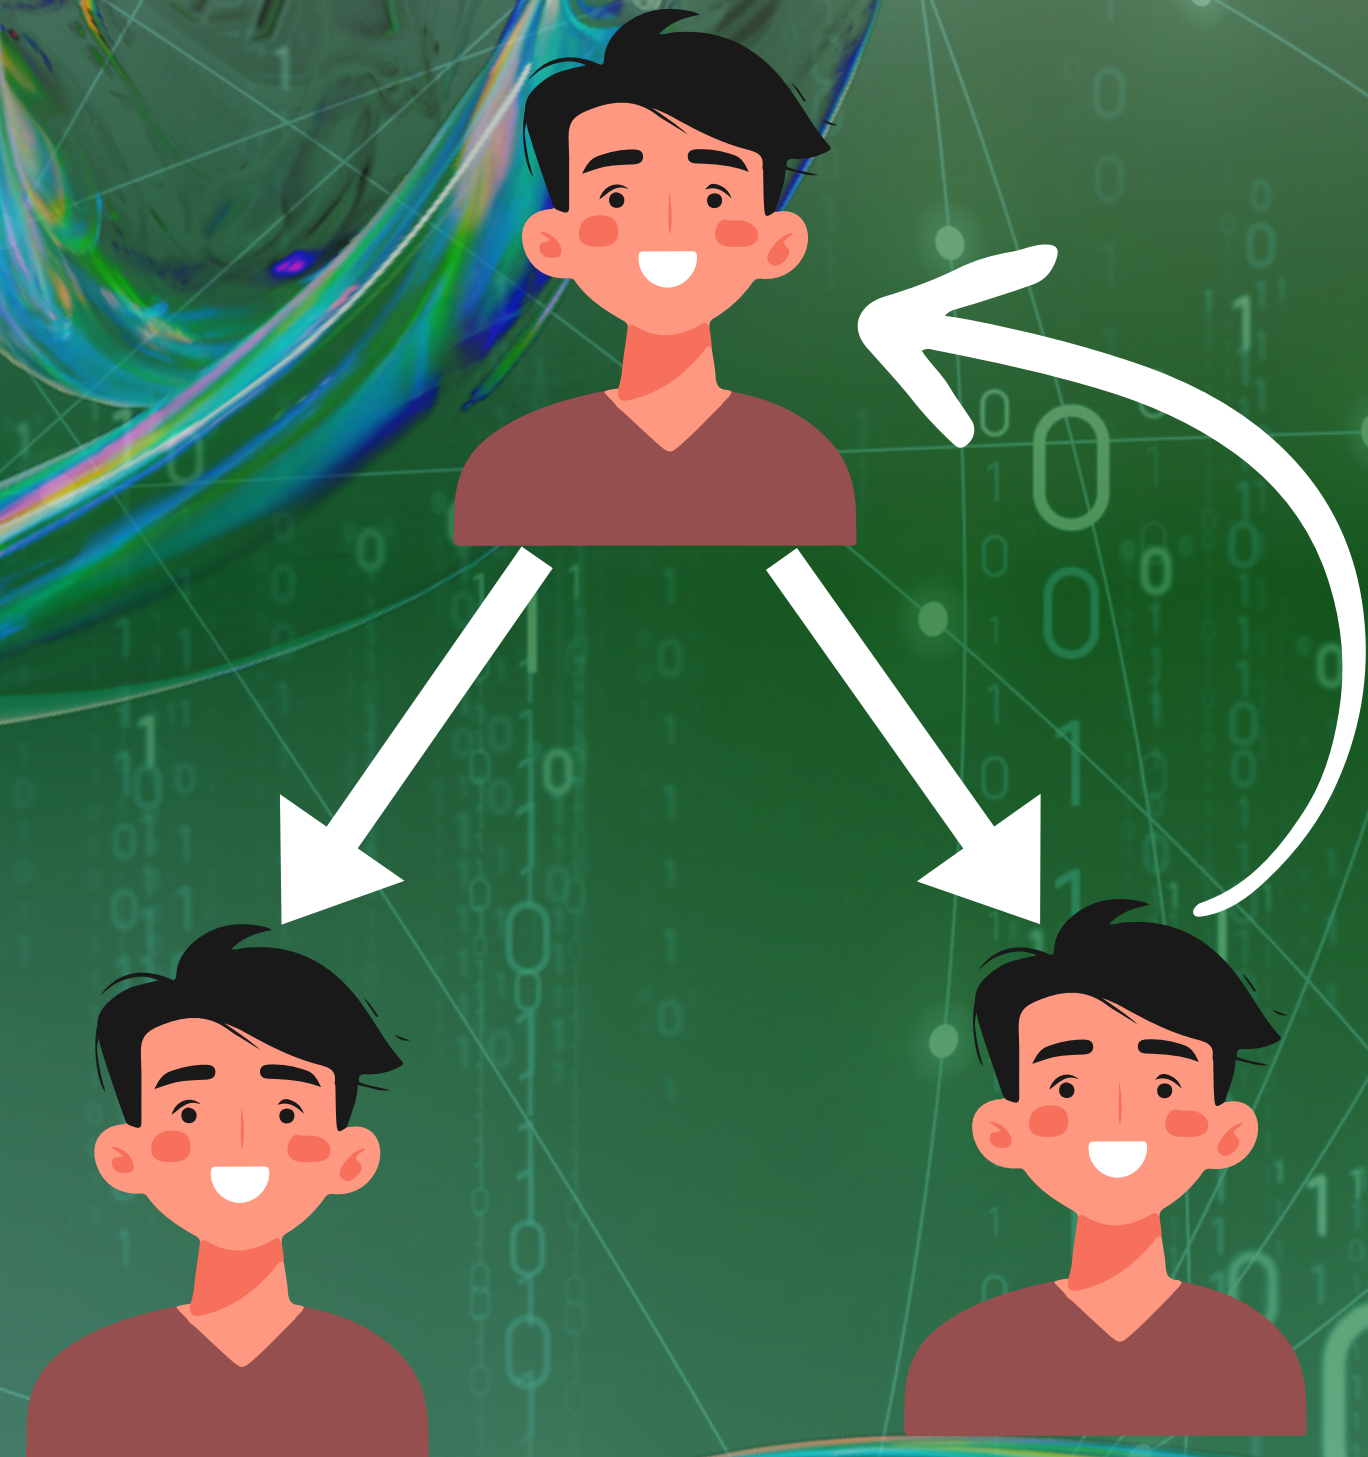

BONUS

DIRECT INCOME

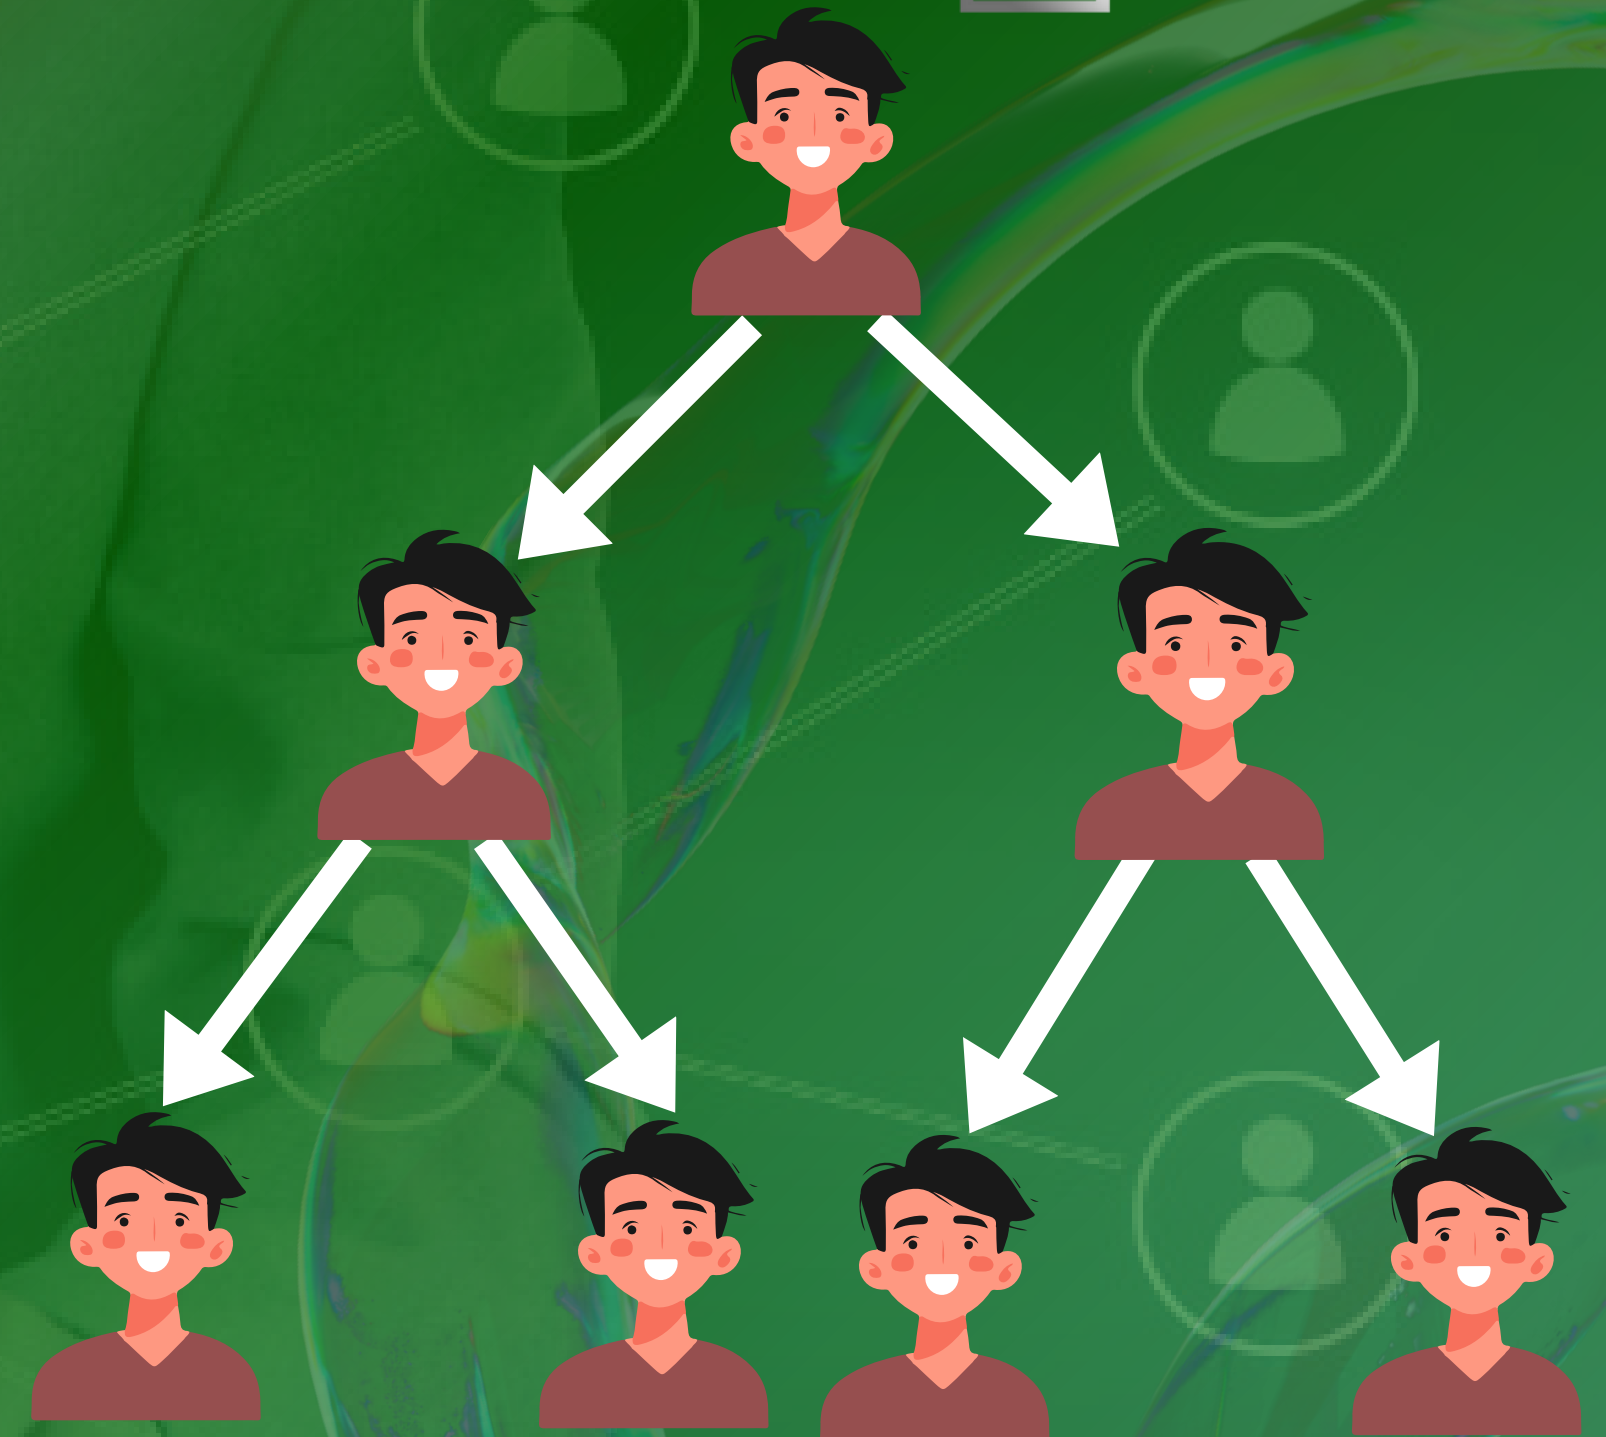

The platform allows users to earn passive income upon their active participation within the platform. The user will get 10% upon referring someone to the platform. However, this income % will be generated only when the referred individual purchases a subscription. This income opportunity incentivizes users to grow the platform's community by promoting its benefits to potential subscribers.

BINARY INCOME

Binary Income provides users with an additional 5% income based on a specific referral structure. To qualify, users must have a 1:1 direct referral (one direct referral in both their right and left legs), and their matching business volume must be at least \$10. This income stream rewards users for building balanced teams and achieving business growth through their referrals.

LEADERSHIP INCOME

Leadership Income is designed to reward users who achieve significant business volumes within the platform. The income is based on a 50:50 business ratio, and users must meet specific matching business volume targets to earn rewards. Here are the details of the matching business volume the user need to provide to get the reward:

| Matching Business Volume | Reward |
|--------------------------|--------|
| \$5,000 | \$50 |
| \$10,000 | \$100 |
| \$20,000 | \$200 |

SALARY INCOME

Users can qualify for Salary Income by achieving a set business volume from their legs, which must follow a 50:50 business ratio. To maintain eligibility for Salary Income, users must consistently meet a monthly business volume requirement. Below are the details:

| Matching Business Volume | Reward | Monthly Business Volume |
|--------------------------|---------|-------------------------|
| \$50,000 | \$500 | \$10,000 |
| \$1,00,000 | \$1,200 | \$25,000 |
| \$2,50,000 | \$3,000 | \$50,000 |
| \$5,00,000 | \$6,000 | \$1,00,000 |

USER INCOME AND WITHDRAWAL POLICY

Paid users: Paid users will earn daily income based on their subscription amount, upon completing the required daily activities. A minimum balance of **\$5** is required for withdrawals.

Free Users: Free users will earn **\$0.04** per day upon completing the daily activities. Free users can withdraw their earnings once their wallet balance reaches a minimum of **\$0.4**.
